Department has received a petition to revise a rule.)

**Explanation of recommendation:** Provide a brief summary of any changes you've identified/recommended earlier in this review document. If this recommendation differs from that of the previous review, explain the basis for this difference. If recommending that the rule be amended, be sure to note whether the basis for the recommendation is to:

- Correct inaccurate tax-reporting information now found in the current rule;
- Incorporate legislation;
- Consolidate information now available in other documents (e.g., ETAs, WTDs, court decisions); or
- Address issues not otherwise addressed in other documents (e.g., ETAs, WTDs, court decisions).

The format of this rule is out-of-date but it still contains accurate information about the type of assistance the Department may provide upon request of the assessor. The previous recommendation was to leave the rule as is; I concur. There is no immediate need to revise the rule but revising it sometime in the future would be advisable.
